

-Why are you so silent, my boy?

-But, I don't know what to say...Why don't you ask me something? Don't you have questions?

-I do...

-I will not tell you anything. Learn to ask questions, Eugen.

-Okay, who are you?

-Einstein. Albert Einstein.

-And what are you doing here?

-The real question is what YOU are doing here.

-I don't know.
